Online Lay Ministry Program

The Diocese is pleased to offer a new free online resource for Lay Ministry! This new Lay Ministry Program is a partnership with Queen's College that provides training for those called to Licensed Lay Ministry, utilizing an online platform that allows students to work at their own pace. While the program is self-directed, it also encourages supportive learning through peer, parish, or clergy support, so students do not feel they are learning in isolation. The program consists of five core modules that focus on baptism, Eucharist, Bible, prayer, and Anglicanism. Additional modules will focus on practical skills, such as worship planning, pastoral visitation, eucharistic ministry, and other lay ministries. The program is designed to be user-friendly and adaptable, equipping students for lay ministry and service in Christ's church in the world today.

Currently, this course is designed for current Licensed Lay Ministers, Eucharistic Assistants, or laity interested in this ministry or who wish to explore their calling further. As the course expands, we plan to provide education for other lay ministries, such as pastoral lay visitors, Sunday School and Confirmation teachers, Vestry, Wardens, Treasurers, and others.

An Introductory Video of the Lay Ministry course available for viewing at: <https://youtu.be/4hdvwgYey8?si=99IN9K411GoW7uml>
