

A WARM WELCOME
to Visitors and Newcomers!

Our Children's Ministry
Meets downstairs during the 11 a.m. service most weeks. The children will process downstairs during the Gradual Hymn.

Washroom Facilities are located through the tunnel on the right side of the chancel and down the stairs. There is also an accessible washroom in the South Transept (to the right of the Chancel).

Assisted Listening Devices are available at the entrance.

New to the Cathedral?
Please fill out a welcome card/envelope found in the pews.

Cost is \$20. Contact Queen’s College to register.

Alongside Hope (PWRDF) – Light for St. Luke’s: Every watt counts

We’d like to tell you about St. Luke’s Hospital in Nablus (the West Bank). Unreliable and costly power sources make health care a challenge during the best of times, or a crisis during the worst of times. That’s where solar power comes in. Solar energy helps keep the lights on, keeps medical equipment working, and helps doctors care for patients safely. **Alongside Hope** is partnering with the Diocese of Jerusalem to purchase and install solar panels for the roof of the hospital. Learn about the many ways to support and donate to this campaign at alongsidehope.org/light-for-st-lukes. You can also make a donation through the Cathedral: just note that it is for “Alongside Hope: Light for St. Luke’s.” ***Together, we will keep the light shining.***

The Mission to Seafarers has opened a new local Centre on Water Street west. They are looking for volunteers to help provide hospitality, transportation assistance, outreach, and a welcoming environment for seafarers who are far from home. Whether you are available occasionally or on a more regular basis throughout the summer, we would greatly appreciate your support. If you are interested in volunteering, please speak to the Dean.

Heating Project Update: Today, following the 11 a.m. service, we will be shutting down the boilers of our old heating system for the last time! On Monday work will begin to remove this old infrastructure and prepare for the new Heating System. Unfortunately, this means that we will not have heat again until the Fall. Please prepare for Sundays to be a little chilly until the temperature warms up outside!

*Refrain: She comes sailing on the wind,
her wings flashing in the sun;
on a journey just begun, she flies on.
And in the passage of her flight,
her song rings out through the night,
full of laughter, full of light, she flies on.*

1. Silent waters rocking on the morning of our birth,
like an empty cradle waiting to be filled.
And from the heart of God the Spirit moved upon the earth,
like a mother breathing life into her child.

2. Many were the dreamers whose eyes were given sight
when the Spirit filled their dreams with life and form.
Deserts turned to gardens, broken hearts found new delight,
and then down the ages still she flew on. *Refrain...*

3. To a gentle girl in Galilee, a gentle breeze she came,
a whisper softly calling in the dark,
the promise of a child of peace whose reign would never end,
Mary sang the Spirit song within her heart.

4. Flying to the river, she waited circling high
above the child now grown so full of grace.
As he rose up from the water, she swept down from the sky,
and she carried him away in her embrace. *Refrain...*

5. Long after the deep darkness that fell upon the world,
after dawn returned in flame of rising sun,
the Spirit touched the earth again, again her wings unfurled,
bringing life in wind and fire as she flew on. *Refrain...*
