Our Cathedral just became Greener! Last week we turned off the heat, eliminating our reliance on fossil fuels to heat our Cathedral. The furnaces have now been removed, and work is progressing well to remove the rest of the old infrastructure. We may be a little chilly today, but warmer days are coming!

Tour Guides/Greeters: Cruise ship season is coming, and we are once again looking for volunteers to help with greeting and guiding. If you have some time to spare, please see one of the wardens or contact Janet Hewson at 709-730-0550 or janet@ourcathedral.ca.

Ordination Anniversary: 67 years ago today, the Rev'd Canon Dr. Frank Cluett was ordained as a Deacon in Christ's Church. He was joined in the ordination by Morley Boutcher, Walter Hammond, Alfred Wareham, and the late Andrew Hall. Congratulations to all on this significant milestone, and thank you for your ministry!

Alongside Hope (PWRDF) – Light for St. Luke's: Every watt counts

We'd like to tell you about St. Luke's Hospital in Nablus (the West Bank). Unreliable and costly power sources make health care a challenge during the best of times, or a crisis during the worst of times. That's where solar power comes in. Solar energy helps keep the lights on, keeps medical equipment working, and helps doctors care for patients safely. **Alongside Hope** is partnering with the Diocese of Jerusalem to purchase and install solar panels for the roof of the hospital. Learn about the many ways to support and donate to this campaign at alongsidehope.org/light-for-st-lukes. You can also make a donation through the Cathedral: just note that it is for "Alongside Hope: Light for St. Luke's." ***Together, we will keep the light shining.***

The Mission to Seafarers has opened a new local Centre on Water Street west. They are looking for volunteers to help provide hospitality, transportation assistance, outreach, and a welcoming environment for seafarers who are far from home. Whether you are available occasionally or on a more regular basis throughout the summer, we would greatly appreciate your support. If you are interested in volunteering, please speak to the Dean.
